(as of 31 December 2018)**

DBP as one of the country's major partners in development, implements projects and programs which are supportive to the government's thrusts in promoting inclusive and sustainable growth. The Bank's projects/programs are carefully designed to be responsive to the developmental needs of the Filipino people. Also included are Corporate Social Responsibility (CSR) undertakings which allowed the Bank to share the fruits of its sustained financial success through programs intended to strengthen the capacity for self-reliance of the under privileged and to help mitigate environmental issues of the country.

In compliance with the Government's requirements for the posting of the Bank's Transparency Seal, below are the list of DBP's programs/projects with corresponding accomplishments which are supportive of the five (5) Key Result Areas (KRAs) defined under EO No. 43 series of 2011:
