2. Please refer to the Section III. Bid Data Sheet (BDS) for the detailed procedure and options for the payment of bidding documents, submission and opening of bids. As indicated in the Invitation to Bid, bidders must secure the required payment for the bidding documents on or before the deadline of the submission and receipt of bids. **Bidders are encouraged to attend the bid opening through Zoom Meeting App.**

3. Replies to queries of the bidders:

QUERY/CONCERN	CLARIFICATION
Can the contractors participate if they cannot comply with Item A.1 and A.2?	Bidders can still participate if the offered technology is higher than those specified in the Technical Specifications. The Technical Specifications only indicate the minimum requirements.

QUERY/CONCERN	CLARIFICATION
Can we submit products that are compliant with the fire code and not DBP's requirement?	Yes. The bidder shall be allowed as long as they complied with the Guidelines and Implementing Rules and Regulation of ERI approved by the Department of Public Works and Highway as part of the National Building Code of 2015 and NSCP 2010.
Will the bidders be provided with the schedule of ocular inspection and are they required to provide a certificate of inspection?	As advised during the Pre-bid Conference, bidders may conduct a site inspection upon request.
On PCAB, is Category "B" Acceptable?	PCAB License is not required for this project.
Request change the delivery/completion date to within ninety (90) calendar days after receipt of Notice to Proceed/Purchase Order. The risk of exceeding the delivery/ completion date is expected due to new shipping procedures, safety policies, protocols, etc. brought about the pandemic.	Request considered. The delivery/completion period is adjusted to "within ninety (90) calendar days upon receipt of Notice to Proceed (NTP) from DBP". Please see REVISED FORM 8 for the Revised Technical Specifications attached in this Supplemental Bid Bulletin No. 3 dated 18 January 2022.
