

## INTEGRITY PLEDGE

### For Business Partners, Clientele, Bidders and Contractors

We believe that DBP is at the forefront of development and advocates principles of fairness, equality, accountability and transparency in the conduct of business. Thus, we share in DBP's adherence to these principles by committing ourselves to observe them and to comply with government procurement laws and processes in the procurement and execution of contracts for goods, infrastructure projects, and consulting services.

We commit ourselves to promoting and adhering to the principles of government procurement, such as transparency, competitiveness, accountability, streamlined procurement process, and public monitoring to level the playing field in the procurement and execution of contracts for goods, infrastructure projects, and consulting services.

We recognize our roles - the business partners, clientele, bidders and contractors of DBP, in the realization of DBP's good governance initiatives and its fight against corrupt practices.

We, thus, pledge our full and unwavering commitment and support to DBP by declaring the following:

- We shall bid and compete for the right reasons.
- We shall support fair, honest, legal and socially-acceptable competitive approaches in the bidding process.
- We shall ensure that the services we shall offer are geared towards the best interest of the Bank and are worthy of public fund/s.
- We shall faithfully comply with the DBP Bids and Awards Committee eligibility requirements and shall not submit false, misleading and deceptive information or documents that may influence the outcome of the eligibility screening process.
- We shall provide accurate and transparent financial records.
- We shall not tolerate corrupt or fraudulent schemes nor engage in bribery that shall restrain, stifle or tarnish the integrity of DBP and the procurement system.
- We shall respect the outcome of the bidding process at all times, whether or not we are the winning bidders.
- We shall be truthful in disclosing our relationship with any of the officers or employees of DBP Bids and Awards Committee, its Secretariat and Technical Working Group.
- We shall employ discipline in our ranks and properly educate our employees to embrace commitment to ethical business practices and to DBP's Integrity Pledge.
- We shall maintain our good relationship with DBP through constant dialogue to address specific concerns and to improve and uphold the integrity of the bidding system.
