Forms of Performance Security	Minimum % of Contract Price
Cash, cashier's/manager's check issued by a Universal or Commercial Bank.	Ten Percent (10%)
Bank draft/guarantee or Irrevocable letter of credit issued by a Universal or Commercial Bank; provided, however, that it shall be confirmed or authenticated by a Universal or Commercial Bank, if issued by a foreign bank.	
Surety Bond callable upon demand issued by a surety or insurance company duly certified by the Insurance Commission as authorized to issue such security.	Thirty Percent (30%)

IV. PAYMENT:

1. One-time, full payment shall be issued upon completion of all works.
2. Once the contract duration expires, including any time extension duly granted, and the Contractor refuses or fails to satisfactorily complete the work, DBP shall impose upon the Contractor in default liquidated damages. Liquidated damage is an amount equal to at least one tenth (1/10) of one (1) percent of the cost of the unperformed portion of the works for every day of delay.

In case the total sum of liquidated damages reaches ten percent (10%) of the total contract price, DBP may terminate the contract or allow the contractor to continue the works without prejudice to the continued imposition of liquidated damages until the works have been completed. This does not, however, preclude DBP in resorting to Termination of Contract under Annex I of the 2016 revised IRR of RA No. 9184
