**Message of DBP President and CEO Michael O. de Jesus  
for 18-Day Campaign to End Violence Against Women**

The Development Bank of the Philippines (DBP) stands in firm solidarity with the 2025 18-Day Campaign to End Violence Against Women.

At DBP, we believe that progress and equity cannot be achieved in an environment where fear, discrimination, or violence persist. Guided by our mandate to advance inclusive and sustainable development, we are committed to integrating gender equality and women’s empowerment across all aspects of our operations, policies, and programs.

As we unite under the theme “UNiTEd for a VAW-Free Philippines,” let us continue to work together, within our institution and across all sectors, to build a nation where every woman and girl is valued, protected, and given the opportunity to thrive in safety and dignity.

Together, we can help build a future free from violence, founded on respect, compassion, and equality.
